COST Events

COST workshops at Nature Career Jobs
26 November 2015 | Düsseldorf

An event for young researchers, by young researchers.
Meet Prof. Kiril Sotirovski (Sv. Kiril i Metodij University, Skopje) and **learn how research networks can boost your career.**

COST at the 7th European Innovation Summit
7-10 December 2015 | Brussels

This year's European Innovation Summit is set to achieve a pact for innovation by discussing the key challenges to a more innovative Europe. COST Actions will be presenting their own contribution to bottom-up innovation as part of a **breakfast debate** and a **plenary session**.

Engaging with the next generation of European researchers

Five of our COST Actions on new materials and nanotechnologies presented their work at a workshop on funding instruments.

In Brief

Workshop summary

conclusions: Integrating the Stake of Rare Disciplines at the National and European Level
