ENI-wide  
programmes

Cross-Border  
Cooperation  
(up to 5%)

ENI CBC Med  
Programme

**Objective:** strengthening prosperity, stability and security at EU's external borders

# Cross-border cooperation

## Main features

- **Balanced partnership and co-ownership:** Member States and neighbouring countries have an equal say in the programme and projects decisions
- **Common benefits** on both sides of the EU's external borders
- **Management** entrusted to a local or national authority in a Member State

16 ENI CBC programmes implemented from the Arctic to the Southern Mediterranean

**“Cross-border cooperation is a must for Euro-Mediterranean relations: stronger ties are key to peace and stability”**

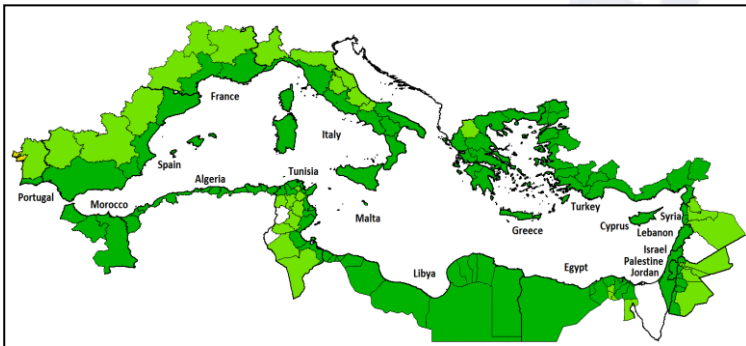

Johannes Hahn, EU Commissioner for European Neighbourhood Policy and Enlargement Negotiations

initiatives and actions**

# ENI CBC Med strategy

## Overarching objective 2

Address common challenges in environment

€ 75.240.000 (40%)

Environmental protection, climate change  
adaptation and mitigation

Support innovative and technological solutions to increase water efficiency and encourage use of non-conventional water supply

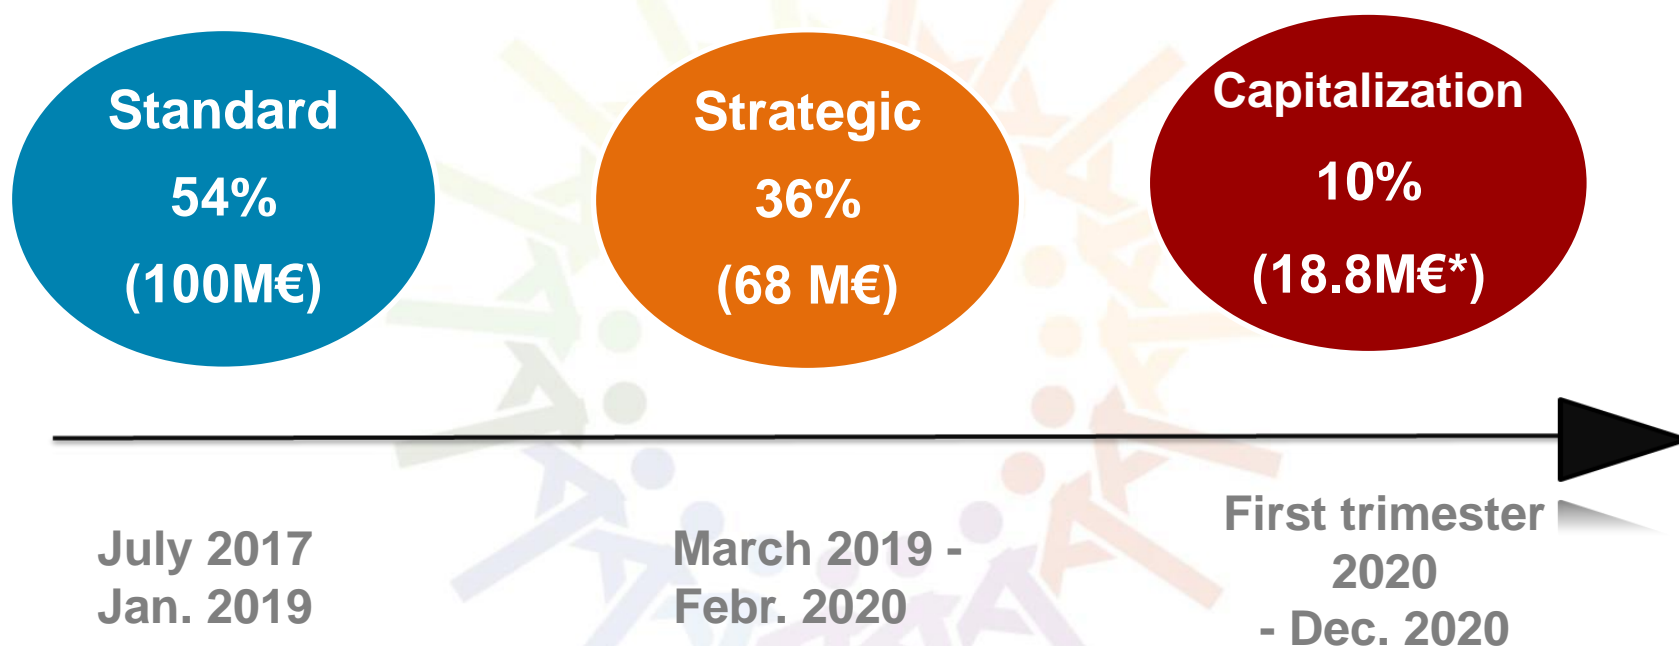

Reduce municipal waste generation and promote source separated collection and the optimal exploitation of its organic component

Support cost-effective and innovative energy rehabilitations relevant to building types and climatic zones, with a focus on public buildings

Incorporate the Ecosystem-Based management approach to ICZM into local development planning

# Call for proposals

Indicative timeline (launch and award decision) and financial allocation

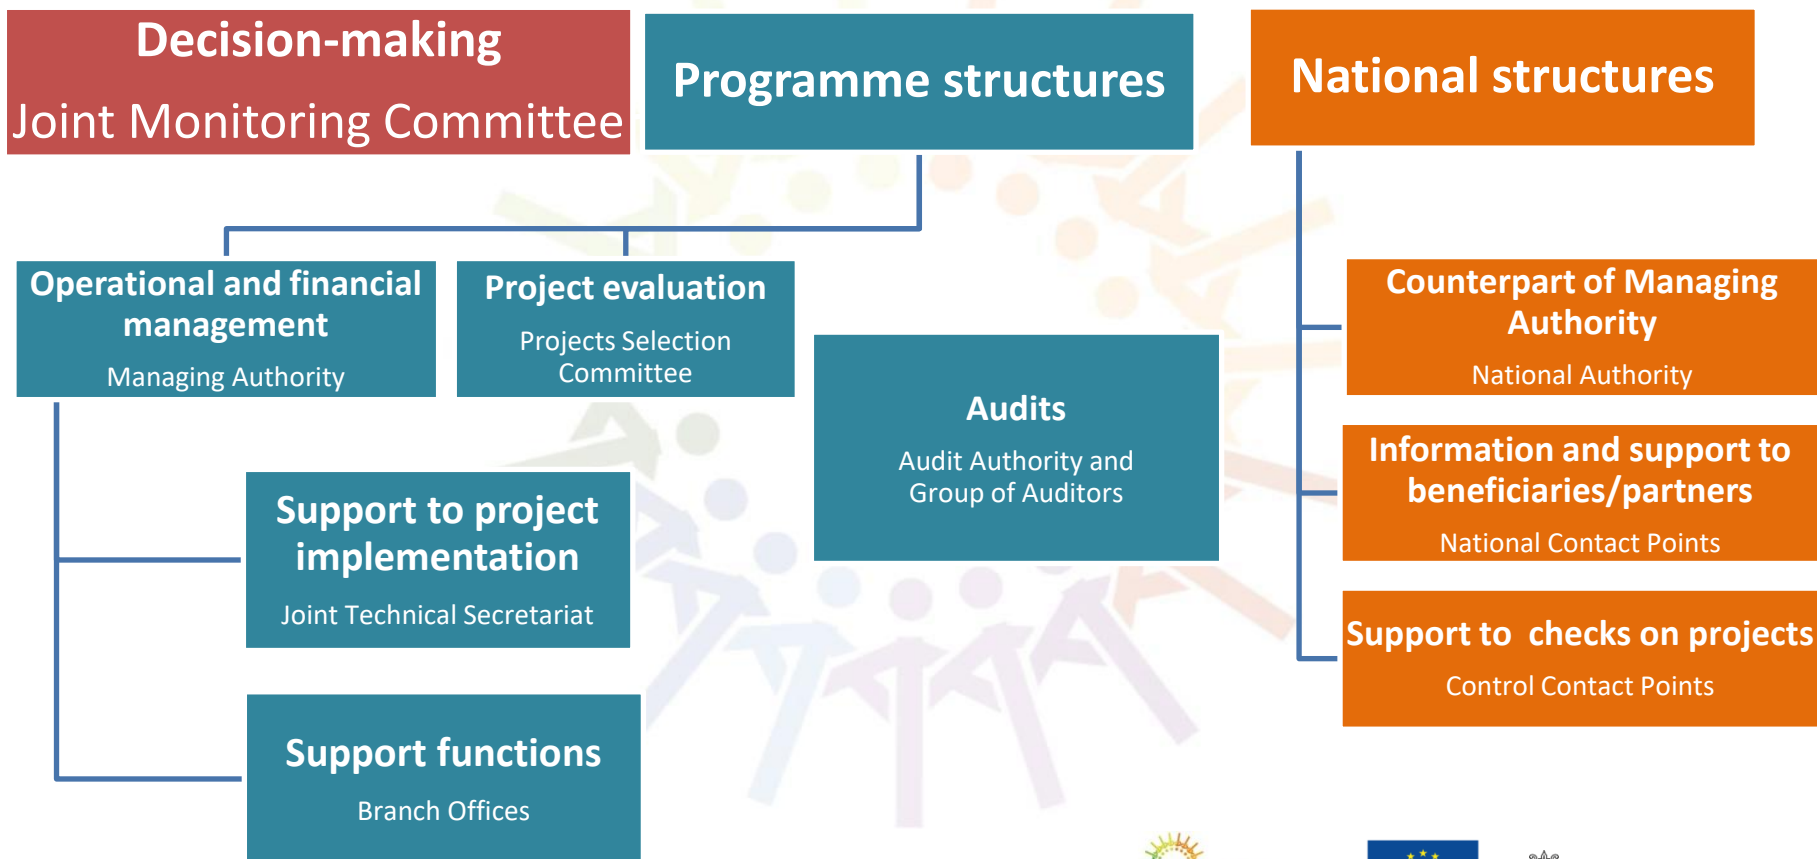

\* Amount to be confirmed

# The governance of the Programme

Who does what ?

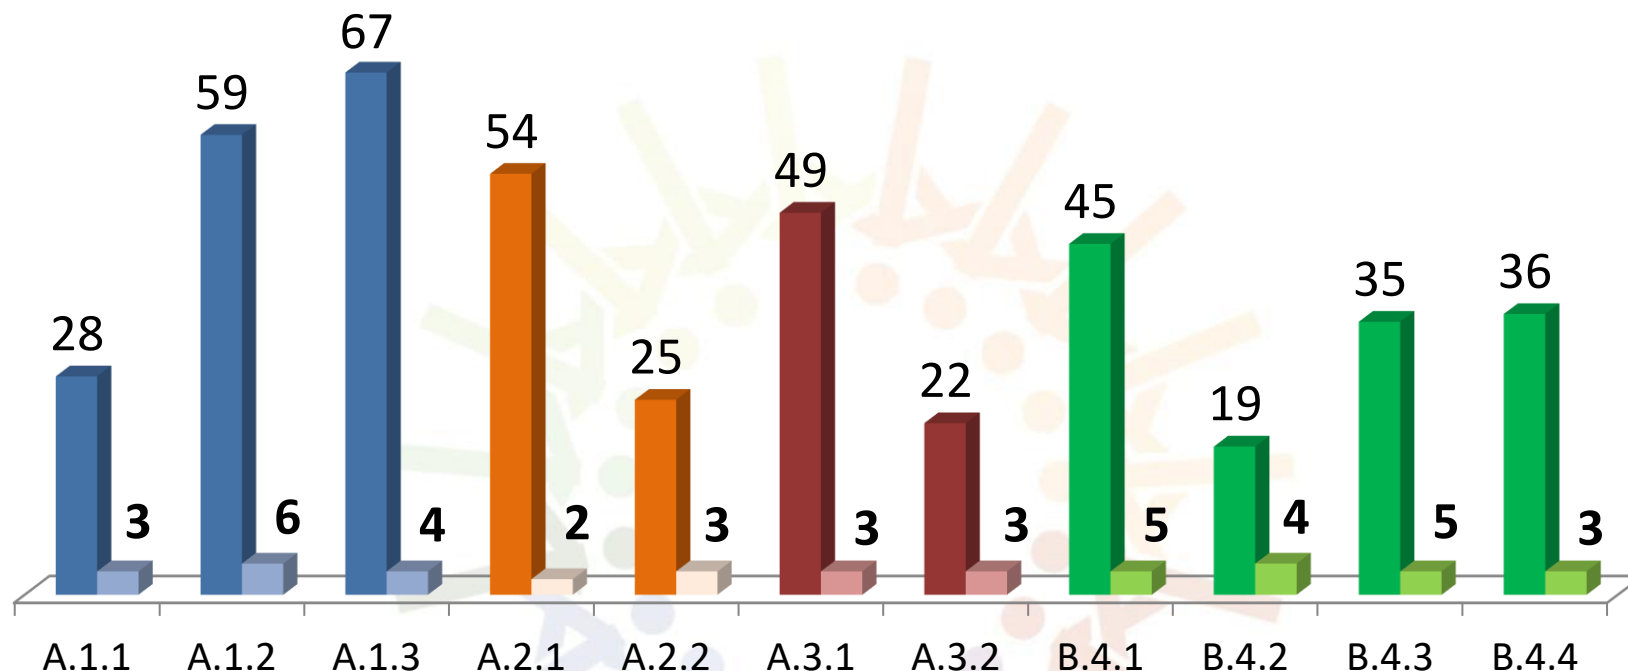

## Outcomes of first call for standard projects

- 439 projects submitted
- 41 projects approved
- 289 organizations involved
- €112 million: value of approved projects
- €100 million: ENI contribution

# Outcomes of the call for standard projects

Distribution of funded projects per Priority  
Submitted (439) vs approved (41)

1.1 - Innovative start-ups

1.2 - Euro-Mediterranean clusters

1.3 - Sustainable tourism

2.1 - Technology transfer and  
commercialisation of research results

2.2 - SMEs access to innovation

3.1 - Employability of NEETS and women

3.2 - Social and solidarity economy

4.1 - Water efficiency

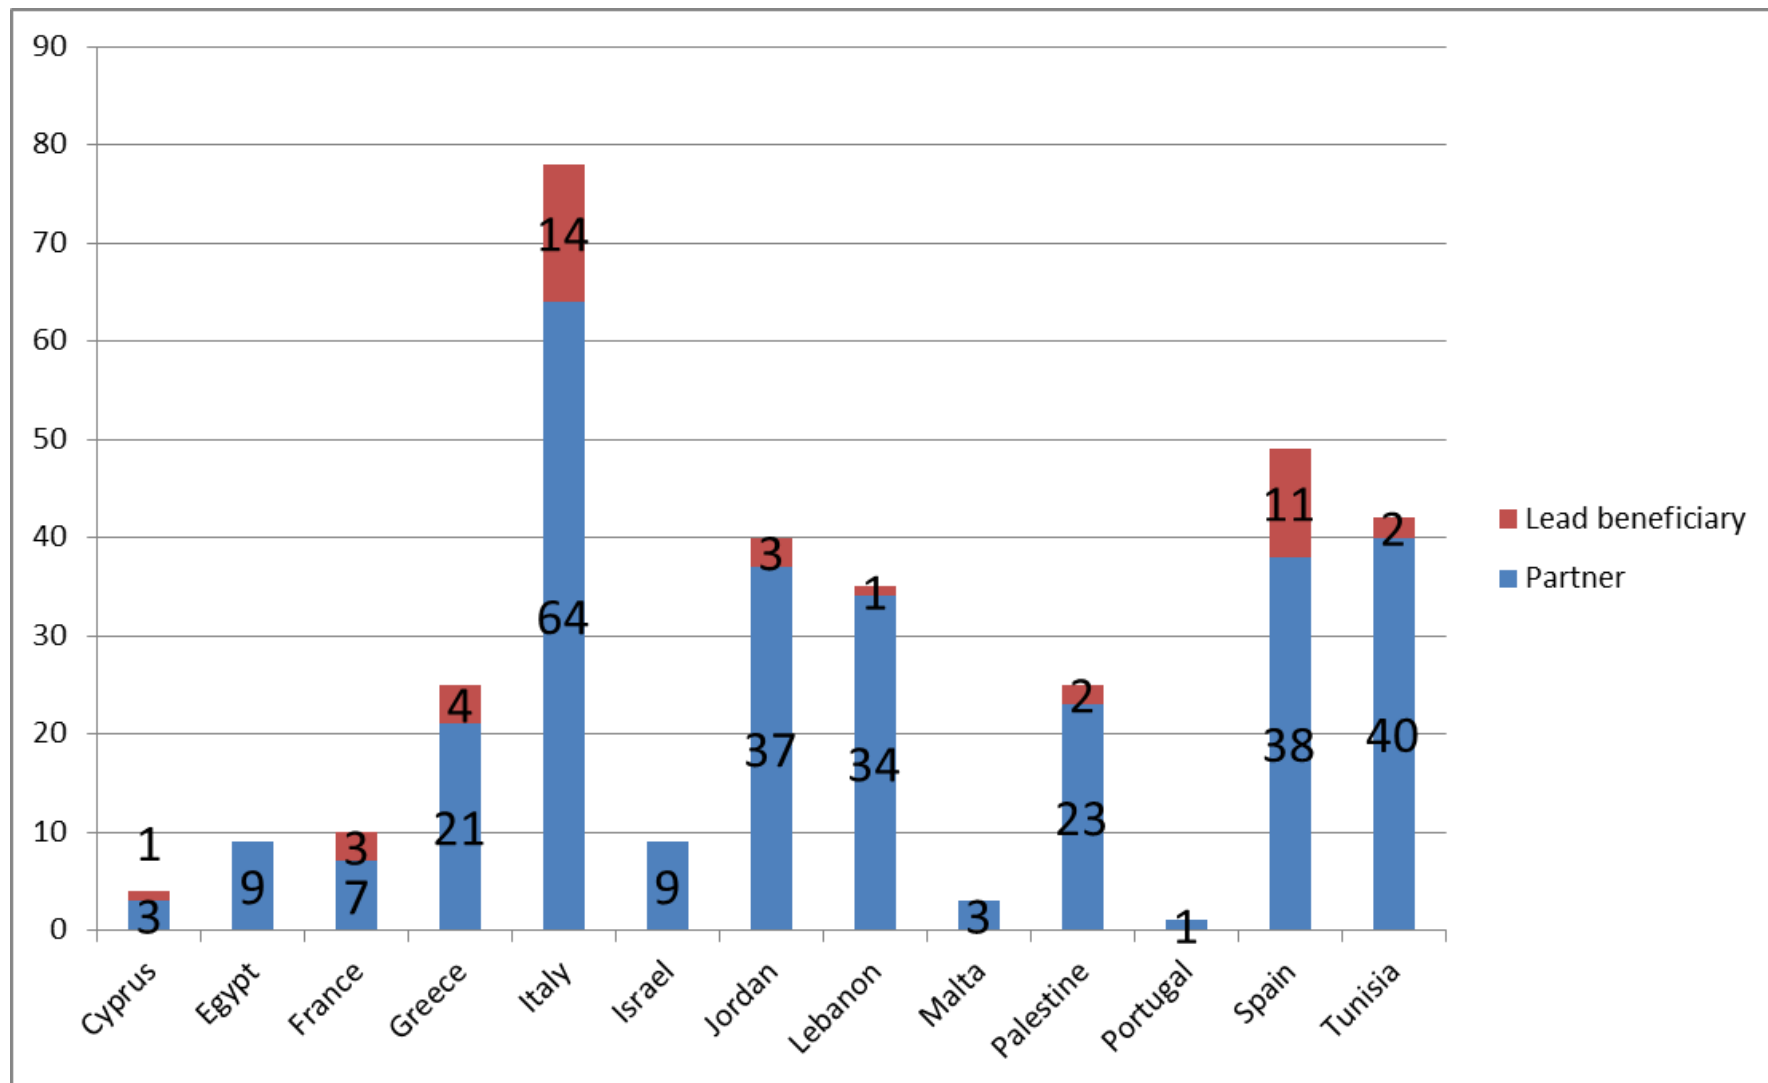

4.2 - Waste management

4.3 - Renewable energy and energy efficiency

4.4 - Integrated Coastal Zone Management

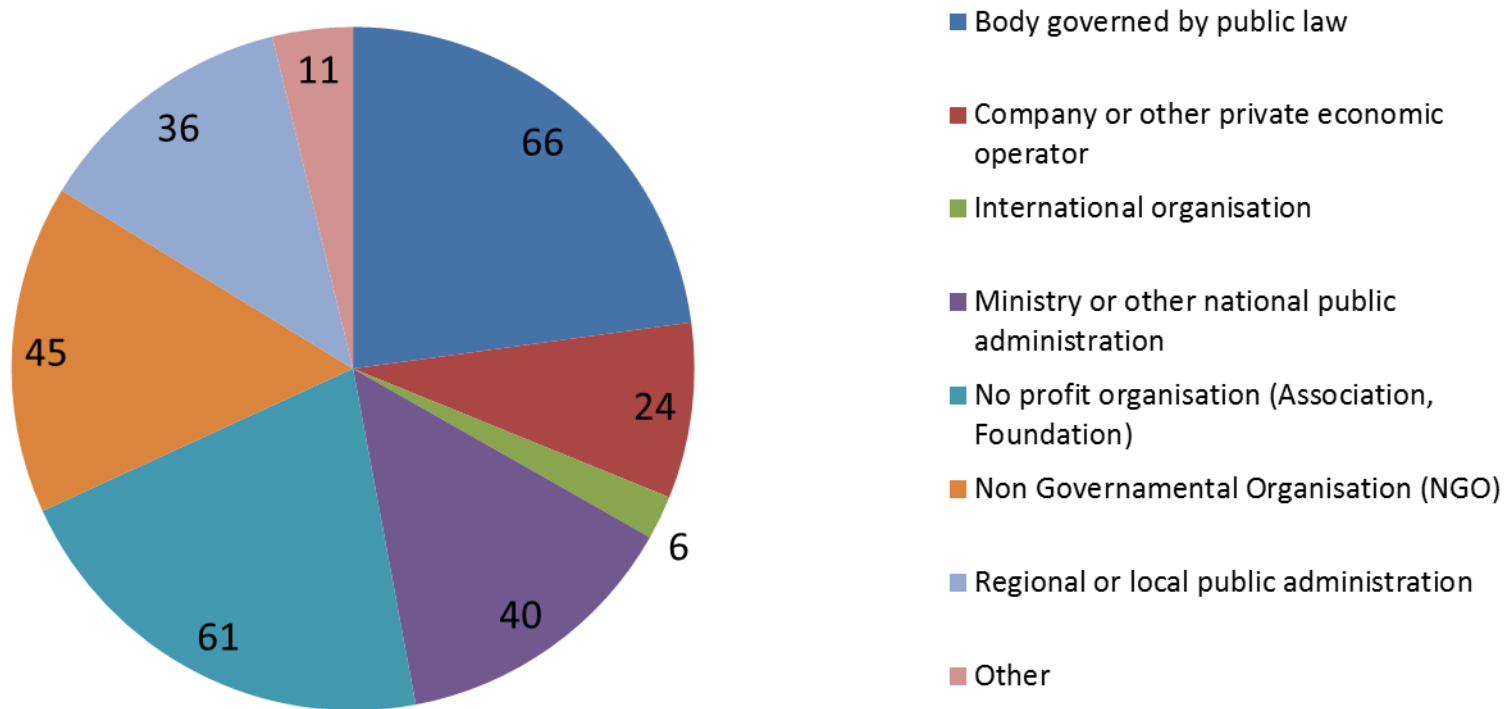

# Outcomes of the call for standard projects

Lead beneficiaries and partners per country

# Outcomes of the call for standard projects

## Legal status of involved organizations

## Outcomes of the call for strategic projects

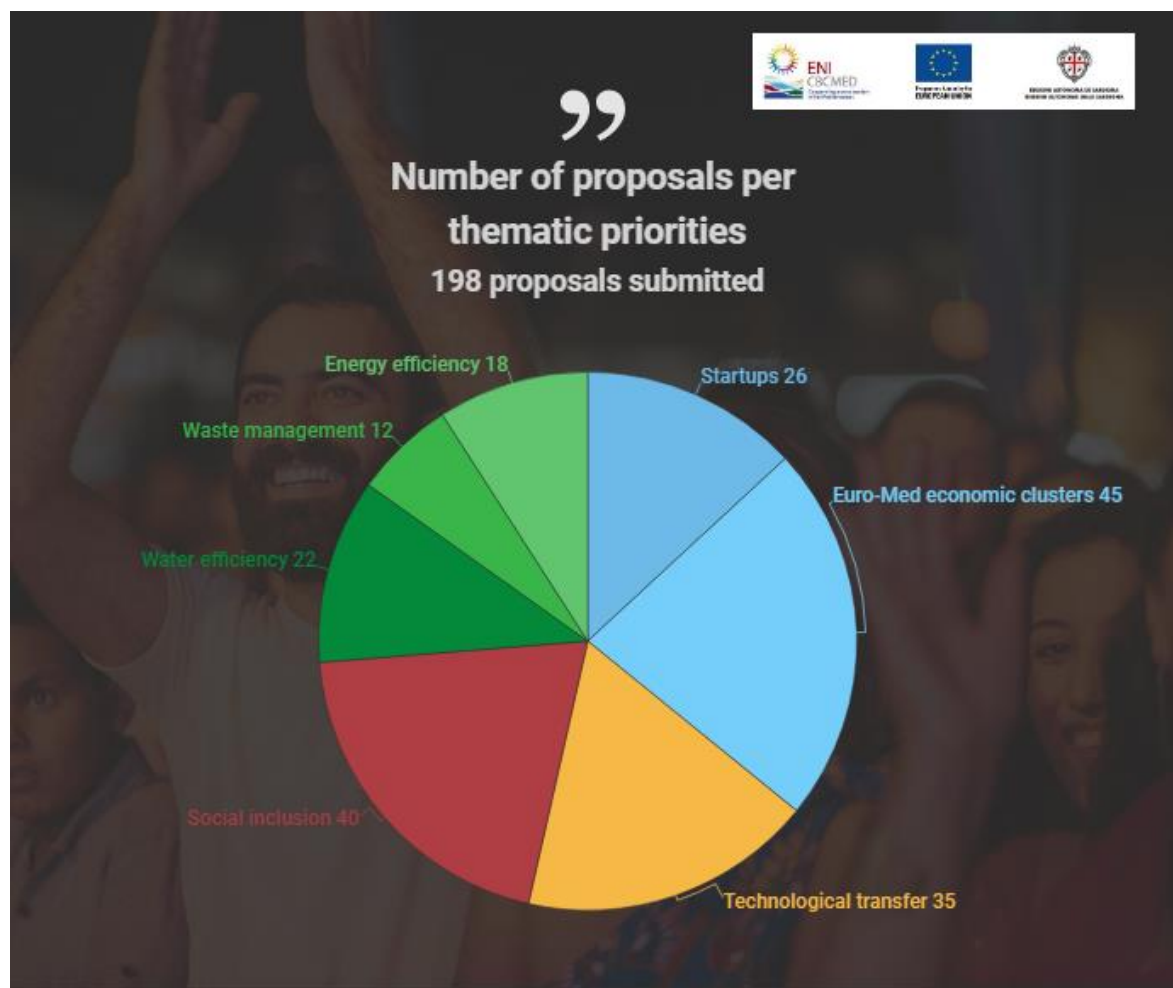

- Call focused on six thematic priorities selected by the Joint Monitoring Committee: startups, Euro-Mediterranean economic clusters, technology transfer, social inclusion, water efficiency, waste management, renewable energy
